W

	 The top-right cell contains three yellow rectangular shapes. One is a small square in the upper-left quadrant of the cell. Another is a horizontal rectangle in the upper-right quadrant. The third is a longer horizontal rectangle in the lower-left quadrant of the cell.
	 The bottom-right cell contains a complex yellow shape. It consists of a long horizontal base with a smaller rectangular block on top in the center, and a small square protrusion on the right side.
